

WSRC **West Sussex Riding Club**

Dear all,

It is with regret and a huge amount of sadness that all members of the committee have decided to step down. The current committee members have been in place for some time (some for over ten years) and have given up an enormous amount of time to support the club notwithstanding their own personal commitments. The committee has used its best endeavours to recruit new committee members and helpers without success. Furthermore, with the additional requirements arising from the Covid pandemic, it is even more difficult to satisfy the requisite number of helpers and thus to run events.

A Special General Meeting will take place at 7pm on Monday 26th October 2020. That meeting may or may not take place remotely depending upon the number of attendees and the Covid guidance at the time. For the avoidance of doubt, a new committee will need to come forward in order for the club to continue to run.

Please RSVP as soon as possible so that we can make the necessary arrangements.

Best wishes

WSRC
